

Symposium announcement

# Kinesiology for the Future Bicycle Traffic Safety and Helmets

This symposium is supported by COST Action TU1101: Towards safer bicycling through optimization of bicycle helmets and usage

**Date, time:** 09.05.2012, 9:00 – 18:00

**Venue:** University of Primorska, Koper, Slovenia

**Language:** English

For registration and additional information:

[www.bicycle-helmets.eu](http://www.bicycle-helmets.eu) or [niels.bogerd@upr.si](mailto:niels.bogerd@upr.si)

**Goal:** To give an overview of the state of the art of relevant aspects of bicycle traffic safety and helmets. The symposium aims at establishing active communication among scientists, university students, end users organizations, legislators, manufacturers, and other stakeholders.

### Condensed program:

1. Opening ceremony
2. Traffic accident statistics
3. Traffic psychology
4. Impact protection
5. Ergonomics of thermal aspects
6. Outlook and plenary discussion

**All sections have 3 speakers**, the following speakers have confirmed:  
Dr. G. de Bruyne (BE), Ms. V. Marinko (SI), Prof. Dr. I. Mekjavić (SI), Prof. Dr. N. Mills (UK), Dr. C. Orsi (IT), K. Parkkari (FI), Dr. R.M. Rossi (CH), Mr. J. Rotar (SI), Prof. Dr. D. Shinar (IL), Dr. I. Walker (UK), Prof. Dr. R. Willinger (FR), and Mr. C. Woollgrove (BE).
